The Reid

Situated on a one-acre corner lot in Berkshire Estates. The Reid's expansive covered entry and impressive foyer with soaring 13' boxed ceiling flow into the family room, with a view of the covered outdoor living. The kitchen overlooks the breakfast nook and family room, which features 12' ceilings. An oversized island highlights the kitchen with a breakfast bar, gourmet appliances, plenty of cabinet space, and a sizable walk-in pantry. The owner's bedroom is complete with a box ceiling, sitting area, walk-in closet connected to the laundry room, and luxurious master bath with dual vanities, large soaking tub, glass-enclosed shower, linen storage, and private water closet. Secondary bedrooms feature walk-in closets, two with a shared full hall bath, with a private full bath. Additional highlights include a private study, additional dining space, versatile media room off the family room, mudroom, secluded second-floor game room with a powder bath, and additional storage throughout.
