The Laurel's covered entry and impressive foyer flow into the expansive family room, with a view of the covered outdoor living beyond. The kitchen overlooks the sunny dining area and the family room, which features an optional fireplace. An oversized center island highlights the kitchen, along with plenty of cabinet space and a large walk-in pantry. The beautiful owner's suite is complete with a generous walk-in closet, a roomy bathroom with a glass-enclosed shower, a soaking tub, and a private water closet. Secondary bedrooms feature walk-in closets. Additional highlights include a centrally located laundry, mudroom with built-in bench, versatile flex room, and additional storage.
